ABOUT INGEN

Made in India, Built for Scale

Founded by IIT Kanpur alumni, Ingen Technologies combines hardware manufacturing, IoT systems, and AI analytics to deliver indigenous logistics solutions. With a pan-India service network, 100,000+ IoT devices deployed, and products exported globally, Ingen serves dairy, FMCG, agriculture, courier, cement, and pharma sectors.

PRODUCT SUITE

The SecuTrak Ecosystem

One integrated platform of indigenous hardware and AI software — tracking, securing, and optimizing every shipment end to end.

GPS TRACKING

SecuTrak

4G-enabled GPS device — fixed and portable — with real-time location, fuel monitoring, and ERP integration.

- Live trip planning & monitoring
- Route deviation alerts
- Driver & vehicle management
- Analytics & MIS reporting

CARGO SECURITY

PATENTED

SecuLock

Rugged metallic electronic cargo lock with concealed mechanism, OTP & geofence authorization, and fail-safe battery backup.

- Real-time lock monitoring
- Light sensor tamper alerts
- Comprehensive audit logs
- Multi-user permission control

VIDEO TELEMATICS

AI Dashcam

Dual and quad camera dashcam for driver safety, incident analysis, and continuous vehicle surveillance.

- Fatigue & distraction detection
- Lane deviation alerts
- Live video monitoring
- Cloud video storage

PLATFORM

AIS-140 Vehicle Tracker

AIS-140 is a government-compliant GPS tracking device that enables real-time vehicle monitoring, enhanced security, and efficient fleet management.

- Highly reliable & indigenous product
- Remote Engine Immobilization for theft prevention.
- Real-Time GPS Tracking with live location updates.
- 2G/4G compatible AIS 140 devices

ADD-ON SENSORS

Fuel Monitoring

Temperature & CO₂

Gyro Sensor

Door Sensor

AIS-140 GPS

KEY HIGHLIGHTS

Why Enterprises Choose Ingen

<p>Founded at IIT Kanpur</p> <p>Deep-tech roots and indigenous R&D.</p>	<p>20+ Years of Experience</p> <p>Two decades across logistics sectors.</p>	<p>1,00,000+ IoT Devices</p> <p>Manufactured & installed in the field.</p>
<p>In-house HW & SW</p> <p>Full-stack hardware and software teams.</p>	<p>PAN India Support</p> <p>Nationwide service & support network.</p>	<p>Made in India</p> <p>Indigenous technology, end to end.</p>

INDUSTRIES WE SERVE

Logistics & Transport	FMCG & Retail	Dairy & Agriculture	Mining & Cement
Cargo & Courier	Ports & Railways	Manufacturing	Fleet Operators

BUSINESS IMPACT

Reduced Theft & Pilferage	Lower Operational Costs	End-to-End Visibility	Faster Decision Making
Improved Driver Safety	Better Compliance	Increased Efficiency	Data-driven Planning

Ready to secure your fleet?
